

HOLY BIBLE AND WORLD HISTORY

TOGETHER IN HARMONY

Dear Readers,

By reading the Holy Bible as the words of our GOD Almighty and our Lord Jesus Christ (our savior) and reading reliable books of World History, by combining the two together will give all of you a very clear understanding concerning the true identity, nature, core and structure of the Roman Catholicism is all about. Whether we call it in various names or title like : Roman Catholic Church, Vatican Roma, Holy See, Church Of Rome, etc.

HOLY BIBLE - WORLD HISTORY - VARIOUS BANNED BOOKS OF WORLD HISTORY

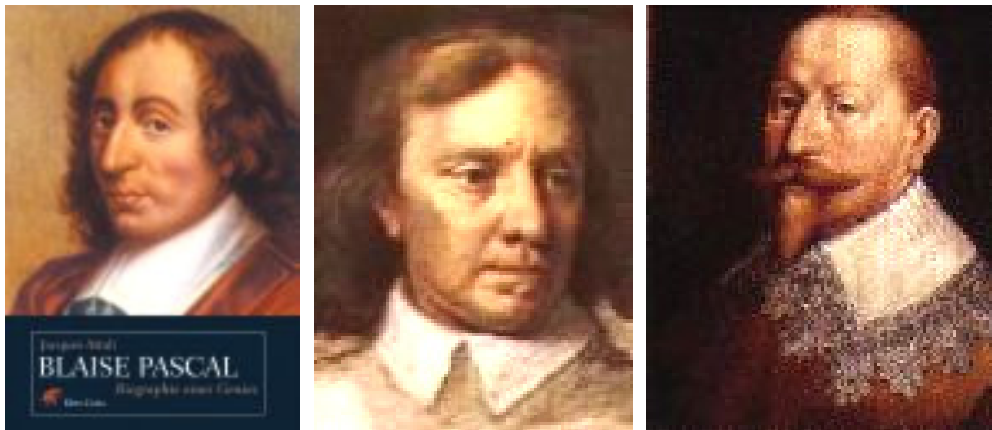

HOLY BIBLE - Is the most reliable book of books available in this world that the teachings, dogmas or canons of the Roman Catholicism are direct contradictory or direct opposition to what are written in the Holy Scriptures. Many of GOD's / Jesus Christ's direct commandments were deliberately violated by the Roman Catholicism and does not conform to the will of our Almighty GOD. The Book Of Revelation in the Holy Bible is pointing to the Roman Catholicism as the Whore or the so called Babylon.

WORLD HISTORY - Is condemning the ancient Roman Empire and the Vatican Roma for the heinous crimes against humanity and for the death of millions of people or may even reach billions of people in the name of religion and for the sake of the mother Church Of Rome. From assassinations, destructions of various kingdoms and nations, overthrowing and assassinations of various kings, queens, princes, princess, leaders of various countries, creating revolutions, civil wars, up to large-scale wars. The Church Of Rome is the only religious institutions in this world who is meddling or interfering in worldwide politics, business and trades, educations, etc. And the Jesuits were the key infiltrators of various governments and countries around the world.

There are many occasions where scholars or intellectual people meet and gather together. They are Bible Preachers, Evangelists, Historians, Researchers & Writers and in very rare occasions they even met few scientists who mostly agreed with each other. They even agreed with each other that the Holy Bible is also a historical group of books and they also agreed with each other that the Holy Bible is an accurate scientific book.

Now the most interesting of all is that majority of the above mentioned scholars or intellectual people were astonished to the true identity, face, and structure of the **ROMAN CATHOLIC CHURCH** or simply Catholicism. The Holy Bible & World History goes in harmony when it comes to factual issues.

As an example, let us pick some of the world's most reliable key witnesses about the dirty works of the Church Of Rome and her Jesuit fathers. These men were a famous scientist, member of parliament and a king who did not go along to the will of the Church Of Rome and did not compromise to the standards of the Jesuits. These men fought against the Church Of Rome and her Jesuit fathers. These men did not recognize Papal authority, they just simply obeyed and worshipped **GOD Almighty**.
